

# Quicken®

## Quicken® Personal 2009

Provides tools to help you manage your finances, prepare for tax time and plan for the future. Personal is for those individuals who want to “actively participate” in the management of their personal finances.

- Track all of your personal bank accounts, credit cards, income and expenses
- Budgeting tools to help you save and plan for your future
- Great tax features that will help you prepare for tax time and make it less painful
- Easily access your financial information from anywhere in the product

## Quicken® Personal Plus 2009

Provides tools to help you manage your finances, prepare for tax time and plan for the future, plus tools to help you manage your investments and maximise tax-saving opportunities. Download your portfolio and trading history into Personal Plus with Reckon Tools E\*TRADE.

- Track all of your personal bank accounts, credit cards, reward points, income and expenses.
- Monitor all of your personal and business investments
- Budgeting tools to help you save and plan for your future
- Use the ASIC FIDO Superannuation Calculator
- Synchronise your Portfolio and equity trading details through Reckon Tools E\*TRADE
- See how your activities impact the environment by answering a few simple questions to calculate your personal carbon footprint.
- Download daily ASX share prices directly to your software.

## Quicken® Home & Business 2009

Combines the best of investing and basic business cash flow management to assist you in combining your personal and business finances, allowing you to obtain a complete picture of your financial wealth.

- Track all of your personal and business bank accounts, credit cards, reward points, outstanding debtors, income and expenses
- Monitor all of your personal and business investments
- Create BAS and other business Tax reports
- Create Estimates and Invoices
- Use the ASIC FIDO Superannuation Calculator
- See how your activities impact the environment by answering a few simple questions to calculate your personal carbon footprint.
- Download daily ASX share prices directly to your software.
